# VIRAT®

## It All Began in 1987

Shakti Home Appliances well known with the brand name "VIRAT PRESSURE COOKERS", established in 1987, is one of the pioneers in manufacturing of aluminium pressure cookers in India. Pressure cooker is a key appliance in every kitchen. Pressure cooker is a fast cooking machine that makes great savings on fuel costs. With the values of dedication, commitment and hard work, our company is climbing the ladders of great success. At present, the company has a wide range of pressure cookers in different sizes and models.

Our products are certified by the Indian Standard Bureau (ISI) vide license No: CM/L-8819804. The quality control department adheres to the highest standards and each piece is inspected individually before packing. Our aim is to provide good quality at the most competitive and reasonable price. We are constantly innovating and improving our products. We have a long list of highly satisfied customers in India and rest of the world.
